Running Successful **LEAGUES**

League Governance

A league is a democratic society, governed by the league board of directors. The board is comprised of the league officers and team captains. The league officers required are president, vice president, secretary, treasurer (secretary and treasurer can be combined). Officers are elected by majority vote of the board or membership dependant on the league rules.

A quorum of the board must be present to conduct business. A quorum is one more than half of the total board.

Normal league business is decided by majority vote. Rule and schedule changes AFTER the league begins bowling require unanimous vote of the team captains only. Changes in the adopted prize list also requires unanimous vote of the team captains only.

For specific duties of the board and league officers see the *USBC Playing Rules and Commonly Asked Questions* and the League Leadership - Duties and Responsibilities section of this handbook.

Competition

Competition, by nature, is exciting and intriguing. The more teams that battle for a championship, the more interest is created throughout a league. To spark competition, leagues may try several formats:

Handicap league – Competition where standings are based on actual scores with handicap.

Scratch league – Competition where standings are based on actual scores with no handicap

Average cap league – Establish a team average cap based on the previous season team averages.

Split schedule – Divide the schedule into two, three or four sections and crown a champion in each. At the season's end, have a roll-off to determine the overall league champion.

Match point – Handicap each person individually in the lineup. Each competes against the player opposite them in the opponent's lineup. Award points for wins on an individual and team basis.

Alternative formats – These formats can make any league both more competitive and more fun. (See page 28 for more information.)

League Application

The league application must be submitted within 30 days from the start of the league. Be sure to include all requested information on the league certification application so membership credentials are issued without delay. Call the local association if you need assistance.

Award Presentations

League secretaries typically make all award presentations. In Youth leagues, awards may be presented by the league supervisor/official. In some associations, an association officer, awards committee member or league representative visits the league to make the presentations.

Award presentations should take place before the entire league and as soon as possible after the feat is accomplished and the award is available. A long delay, such as waiting for the league's season-ending banquet, can reduce bowlers' excitement about earning awards and their appreciation of their membership benefits.

Parental Consent Form

Unmarried grade school and high school students under the age of 18 must have the written consent of a parent or guardian to compete in any USBC adult league where merchandise valued over \$500, or any cash and/or bonds are offered.

Their participation, even pacing, in these situations may jeopardize their eligibility for USBC Youth membership and could affect their eligibility to compete on school sports teams.

The form must be on file with the league secretary at least one week before participation, unless a parent or guardian accompanies the student on their first league session. In that case, the consent form may be filed prior to the start of bowling.

Youth may bowl in singles competitions (including side competitions/brackets) offering cash, bonds or merchandise exceeding \$500 in value, provided, prior to bowling:

1. The competition agrees to award the youth's prize in the form of a scholarship; or
2. The youth signs the USBC Singles Competition Prize Waiver waiving his/her rights to any prize in violation of this rule.

Failure to file the consent form will cause the player to be ineligible and subject games bowled to forfeiture.

USBC Singles Competition Prize Waiver (Rule 400)

Youth members who wish to compete in adult singles competitions where cash or bonds are offered and/or merchandise prizes valued greater than \$500 must complete and sign a USBC Singles Competition Prize Waiver form prior to participation. The USBC Singles Competition Prize Waiver is NOT ACCEPTABLE for use in team (two or more players) competition including, for example, adult/youth team competition. A copy of this form can be downloaded from BOWL.com.

The waiver serves three primary purposes. First, it ensures that the USBC Youth member is aware that the event is offering prizes which may be in violation of Rule 400. Second, it provides the USBC Youth member the opportunity to compete in singles competitions without jeopardizing his/her USBC Youth eligibility. And last, it replaces the Parental Consent Form in adult singles competitions.

See BOWL.com for a complete explanation of Rule 400.

Rules

Every league must have rules. This task can be simplified by using the "USBC Adult or Youth League Rules" included in this handbook. In adult leagues, the league board of directors or members must vote on each rule. Pay particular attention to rules covering the following items:

Absentee scores (Rule 105)– In leagues, an absentee score is used when a player on the roster is absent from league and a substitute is not obtained. The absentee score shall be the absent member's current average minus 10 pins, unless otherwise provided by league rule.

Averages (Rule 118c)– A complete and adequate entering average rule is essential for any handicap or classified league. Averages from the previous season are recommended to be used for a bowler's first night of competition because they are easily verified and they represent the bowler's true ability. Bowlers who do not have a qualifying average will then establish their average the first session they bowl unless league rules state otherwise.

In youth leagues, a bowler using a two-hand delivery will establish an average with two hands. When the bowler changes to a one-hand delivery, they must establish a new average using that hand. (Rule 118, Item 4)

Legal lineup (Rule 109a)– The minimum legal lineup must be present prior to the completion of the first frame unless the league adopts another frame. The league cannot require the legal lineup to be present at the start of the game. Leagues may adopt a rule allowing one eligible bowler as the legal lineup. Leagues decide whether substitutes count toward a legal lineup. Rule 109a, Item 2 states substitutes count unless league rules specify otherwise.

Playoffs (Rule 113b)– Leagues should adopt a rule stating how a playoff shall be conducted for ties and/or championships.

Some suggestions are:

- ★ Bowl one game (or two games).
- ★ Best two of three games.
- ★ Total pins of a three-game playoff series.
- ★ A point for each game, but none for series.
- ★ Stepladder finals.

Substitutes (Rule 107c)– Every league needs extra players to minimize absentee and vacancy scores. Do this by keeping an ongoing list of substitutes.

Tardy players (Rule 109c)– A tardy player uses one-tenth of the absentee score for each frame missed, unless otherwise provided for by league rules.

Team rosters (Rule 104b)– Leagues specify how many players are allowed on each team's roster. Team captains submit names before the league starts play or by a time designated by the league.

Vacancy scores (Rule 105)– teams without full rosters receive a vacancy score.

In adult leagues, unless league rules state otherwise, the vacancy score is 120. Handicap for the vacancy score must be figured by using the same percentage utilized for league averages.

In youth leagues, unless league rules state otherwise, the vacancy score shall be the average of the lowest average bowler on the opposing team's roster. If two or more vacancy scores are required, the average of the next-to-the-lowest bowler on the opposing team's roster shall be used for the second vacancy score. Youth leagues also may set their own vacancy score.

Handicaps

Handicapping is a means of placing bowlers and teams with varying degree of skill on as equitable a basis as possible for their competition against each other. USBC recommends that higher handicap percentages such as 100% be used for more equalized matches. The scratch base that handicap is figured from should be greater than the highest team or individual entering average. For example, if the highest entering individual average is 218, handicap should be 100% of 220.

Another option is to provide a negative handicap for all bowlers with an average above the base figure. For example, 100% handicap of 200, average is 220 bowler receives -20 handicap.

Handicap leagues use their adopted handicap system at all times. Leagues failing to adopt a handicap percentage in their leagues shall use a 100% handicap. (See Rule 100g, Item 1)

Postponements

A league's board of directors, specific committee, or a youth league supervisor/official decides requests for postponements. Leagues must grant postponements for emergencies. Minimize postponement problems by:

- ★ Discussing postponements at the organizational meeting for special situations such as hunting seasons, holidays or local/national events.
- ★ Allowing extra players on team rosters or keeping a list of roving substitutes.
- ★ Appointing a three-member committee to handle postponement requests and cancellations because of severe weather.

See this handbook's section on League Leadership Duties and Responsibilities for more information on a postponement committee.

Fee Arrearages

Insist all bowlers pay full fees every session. Team captains are responsible for collecting fees, but are not liable for teammates' payments. To encourage prompt payment, leagues can adopt a rule that a team forfeits any games when a bowler is present and bowling and not current in paying fees. If adopted, the league arrearage rule must be enforced consistently throughout the season.

Prize/Award Fund

While prize/award funds are important, avoid pricing yourself out of members. Large prize/award funds require larger payments by individual members, and can discourage new members and increase league dropouts.

Membership Application Cards

League Secretaries – A USBC membership application card must be completed for every member of the league, including substitutes, and submitted with the league application and membership dues. Have the bowlers carefully complete their home address (and apartment number if applicable) and national membership ID if it does not already appear on the card.

In an effort to improve communications with members, please make sure that bowlers include their e-mail addresses on the form.

The national membership ID number enables USBC to create a history on the member's league and tournament competition and their award achievements. If the bowler does not currently have a national ID number (for example a new bowler), the local bowling association will assign a number.

Check the application forms as they are returned to you. It is easier to find errors and have them corrected rather than to submit incomplete information, which could cause a delay in the member receiving their card.

Let your members know their national membership ID number will be printed on their membership card and mailed by headquarters directly to their home. This is a permanent number, individually assigned, to be used every season in all USBC competition and will be required when applying for awards.

If a member of your league notifies you that their membership card was lost, stolen or damaged, they can download a copy of their current membership card by logging on to our web site, BOWL.com and going to the Find-A-Member feature. If further assistance is needed, the member or league official can contact their local association or USBC Headquarters by calling (800) 514-BOWL, ext. 3151.

Standing Sheets

To complete them, League Secretaries should do the following:

- ★ Print or type clearly and complete the top each week.
- ★ Under "team standings," list teams in order of position. If two or more are tied in wins and losses, list teams by total pins or as required by league rule. In handicap leagues, if total pins are shown, it is up to the league to decide if the team total pin figure is listed with handicap or on a scratch basis.
- ★ In the section for high games and series, list all individual and team scores in contention for league high score awards.
- ★ Under "individual averages," list teams, followed by individual members, completing total pins, games and averages columns.
- ★ Use extra space on standing sheets to recognize special accomplishments such as triplicates, all spare games and most pins over average. Also, use sheets to publicize future events such as the league banquet, local association tournament or meetings.
- ★ As a free service, USBC allows leagues to post their standing sheets on BOWL.com.

League Schedules

- ★ Insert position rounds as adopted in the league's rules or agreed upon by the league.
- ★ Note any cancellation postponements (if applicable).

NOTE: If the league adds or loses teams during the season, the schedule must be changed to reflect the exact number of teams in the league.

League Leadership Duties and **RESPONSIBILITIES**

League Board of Directors

The league's governing body is its board of directors comprised of the officers and team captains. Each board member has one vote — even if they are both a league officer and a captain. If a team captain also is a league officer, they have the option of appointing another team member to attend the board meeting and vote on behalf of the team.

In youth leagues, the league shall be under the supervision of an adult league supervisor/official who shall operate the youth league in cooperation with the bowling center management and a league board of directors, if applicable. (See Rule 103a)

Each Youth league where a majority of membership is made up of youth 14 years or older is required to elect a president, vice president, secretary and treasurer from the members of the league. Each team is responsible to elect its own team captain. The offices of secretary and treasurer may be combined. Each team is responsible to elect its own team captain.

High school conference leagues are not required to elect a board of directors. (See Rule 103a)

A quorum must be present to conduct business. A quorum is a majority of the board for business transactions unless league rules state otherwise. Unless USBC Rules state another vote count is required, a majority (one more than half) of the votes cast must be obtained to decide any motion.

The board:

- ★ Elects league officers in accordance with Rule 102a (Two members of an immediate family cannot serve as president, treasurer or secretary-treasurer; or vice president and treasurer or secretary-treasurer of the same league or co-sign for withdrawals from a league account). League President

The president is the league's chief executive.

The President/League Supervisor is responsible for:

In youth leagues that have a board, the president should assist the league supervisor with the duties of the president.

League Vice President

The vice president assumes the duties of the president in the president's absence, and assists the president as requested.

League Secretary

The secretary has many important responsibilities, which are outlined fully in the USBC Playing Rules.

Membership card applications and applicable fees for additional members shall also be forwarded to the local association manager(s) within 30 days of receipt.
- ★ Posting or providing a current standing sheet, which includes a list of league bowlers and substitutes
- ★ Reporting and submitting applications for awards as required by USBC rules.

- ★ Providing the final league standings to the league treasurer.
- ★ Maintaining, writing and filing all league correspondence.
- ★ Furnishing the next league secretary with all records and materials.

NOTE: In leagues using computer and/or average service, the elected secretary remains responsible for all the duties specified in USBC Rule 102e.

In youth leagues that have a board, the youth secretary shall assist the league official in the responsibilities of the league secretary.

League Treasurer

The treasurer is responsible for all league receipts and disbursements.

In youth leagues that have a board, the treasurer shall assist the league official in the duties of the treasurer.

The Treasurer/League Official is responsible for:

League Sergeant-at-Arms

Sergeant-at-arms performs any duties as requested by the president or board.

Team Captains

Team captains are league members who may organize and enter teams. They represent their team and, unless they designate another, serve on the league's board of directors.

Team Captains in Adult leagues are responsible for:

- ★ Collecting USBC membership dues from team members, and forwarding them to the league secretary.

Team Captains in Youth leagues are responsible for:

- ★ Collecting league fees from team members and forwarding them to the league treasurer or Youth league official.
- ★ Computing the scores, signing the score book and securing the opposing team captain's signature.

League Supervisor (Youth leagues only)

The league supervisor is designated by the organizer of the youth league and is responsible for:

- ★ Granting prebowls and postponements, unless the authority is given to an appointed committee or the league official.

League Committees

Typical committees and their functions are:

- ★ **Audit Committee. *REQUIRED.*** Checks the treasurer's or Youth league official's records at specified times to verify incomes, expenditures and balances. The committee ensures the league's funds have been deposited and disbursed as directed, records have been accurately and completely kept, and expenses have been paid. Also can be tasked with auditing league records, averages and position standings.
- ★ **Prize/Award Committee. *REQUIRED.*** Develops and submits for consideration one or more prize/awards lists within five (5) weeks of the start of the schedule. They should contact the treasurer or Youth league official for an estimated budget or list of estimated expenses to work from and consider any league rules that affect the distribution of prizes.

Additional Committees

- ★ **Awards Committee.** Works with the league secretary or Youth league official to complete and file award applications, and present or help associations present awards to deserving league bowlers.
- ★ **Banquet Committee.** Makes arrangements for the league banquet.
- ★ **Nominating Committee.** Prepares and presents a slate of league officers for election. See the section on league Elections in this manual for complete details.
- ★ **Postponement Committee.** USBC recommends leagues have a committee that has the authority to allow or deny all requests for postponed or prebowed games, including emergency requests.

Conducting **MEETINGS**

Quorum

"Members present" equals a quorum for a meeting prior to the start of the season. For all other meetings, a quorum is a majority, in the absence of a specific rule regarding a quorum.

Preparing an Agenda

When the president and/or Youth league supervisor plans ahead, meetings are smooth and efficient. The president and/or Youth league supervisor should prepare an agenda outlining scheduled business with the help of the secretary and/or Youth league official. This is a sample agenda:

1. Call to order
2. Roll call of officers and team captains
3. Action on minutes of last meeting (read by secretary and/or Youth league official)
4. Treasurer's and/or Youth league official's report
5. Committee reports
6. Correspondence
7. Unfinished business
8. New business
9. Business for which the meeting is called.
Example: Adopting or discussing of league rules, including those where an option is available to the league (at first meeting), or election of officers (at end of season meeting).
10. Other business
11. Adjournment

Once the president and/or Youth league supervisor plans an agenda, it is simple to conduct a meeting. Keep in mind that for all members to participate and hear, only one person should be permitted to speak at a time. Keep order by using common sense, courtesy, fairness and cooperation.

Meeting Routine

- ★ Chairman (president and/or Youth league supervisor) opens a meeting by stating: "The meeting will please come to order and the secretary (and/or Youth league official) will call the roll."
- ★ Secretary and/or Youth league official calls names of all officers and team captains, recording who is present as part of the minutes. Secretary and/or Youth league official also announces if a quorum is present.
- ★ Secretary and/or Youth league official reads minutes of preceding meeting and board approves as is, or makes additions or corrections.
- ★ President and/or Youth league supervisor calls for treasurer and/or Youth league official and chairpersons of appointed and special committees to make reports, as necessary.
- ★ President and/or Youth league supervisor calls for discussion of all unfinished business.
- ★ Board discusses and acts on new business.
- ★ If scheduled, a program is presented under other business.
- ★ Adjournment of meeting.

How to Make a Motion

1. Member addresses chairperson to be recognized before speaking.
2. State the motion, "I move..."
3. Second the motion, "I second..."
4. The Chair states, "It has been moved by (name) and seconded that..."
5. Ask for discussion. Every member has the right to talk.
6. In taking the vote, the league has the following options:
 - ★ voice vote
 - ★ show of hand
 - ★ ballot vote
7. Except where stated otherwise, a majority must be reached to approve a motion. A majority is one more than half of the votes cast. For example: 25 people are present, 21 people cast votes, 11 votes are needed to pass the motion.
8. Upon completion of the vote count, the chair rules on the vote and states the result.
9. The person making the motion may vote against it, but cannot speak against it.
10. Officers may vote on all issues.
11. A motion is lost on a tie vote.

Association Annual Meeting

Attendance

USBC allows all members to attend the local association membership meetings. Upon notification, each league secretary/league official (youth leagues) should notify all USBC league members of the date, time and location of the membership meeting.

Youth Associations

Representatives consist of the following:

- a. Youth members, at least 14 years of age.
- b. One adult representative from each certified youth league. (A league is not eligible for representation if it has not submitted a league application.)
- c. One center representative from each center having at least one certified youth league.

Voice and Vote

Voting officers, directors and adult members/Youth Representatives, at least 14 years of age, unless state laws mandate a specific age, have voice and vote. Members not meeting the above criteria may attend with voice only. Absentee and proxy voting are not permitted.

Types of League Meetings

Organizational

Thorough and complete league rules are the groundwork for operating a league smoothly. The board of directors and/or Youth league supervisor/official adopts rules prior to a schedule's start unless the league calls for members to have a say in adoption. Leagues review rules adopted by the board and/or Youth league supervisor/official at their organizational meetings, or ask members to adopt them.

Dismissal from Office or League

A league board and/or Youth league supervisor/official may dismiss a bowler from a league for misconduct or violation of USBC or league rules. If a league member files a written charge asking for the removal of a league officer or the dismissal of a league member, a meeting must be scheduled and the procedures in Rule 115a followed.

Protested/Disputed Games

The board of directors and/or Youth league supervisor/official may declare forfeits or null and void any protested/disputed games. Their decisions are final except when the local association or USBC receives an appeal in accordance with Rule 119.

The board and/or Youth supervisor/official is authorized to make decisions when games are protested or disputed. Use the following requirements and guidelines in decision making:

- ★ A written protest must be filed no later than 15 days (72 hours if within the final two weeks of the season or segment or during league playoffs) after the series in which the alleged infraction occurred. Officers also may refer protested or disputed games to the board and/or Youth league supervisor/official without written protest.
- ★ The board and/or Youth league supervisor/official allows all concerned parties to express their views regarding the protest, and asks questions as necessary to develop full information.
- ★ Although team captains' unanimous written consent is required to add or change an adopted league rule during the season, only the board's majority vote and/or the Youth league supervisor's/official's decision is required to clarify a rule's meaning or intent.
- ★ Once the board and/or Youth league supervisor/official clarifies the league rule in question, the rule is applied to the situation in dispute.

The board and/or Youth league supervisor/official has three options in handling most protests involving game disposition:

- ★ **Null and Void** – Action taken when it finds a rule was violated, but mitigating circumstances were involved. For example, league officers may have misinformed the team captain.
- ★ **Forfeit** – Action taken when it finds a rule violated but no mitigating circumstances involved.
- ★ **Stand as Bowled** – After reviewing a protest, it is determined there is no cause for action.

Nonpayment of League Fees

A league must conduct a meeting if an individual is charged with failure to pay league fees and/or withdraws from the league without sufficient cause. When a member is accused of the above, the league should try to resolve the matter prior to disciplinary action. Please see Rule 115b.

Complaint must be submitted in writing to a league officer and/or Youth league supervisor/official.

League president schedules a meeting of the league board of directors.

League sends written notice to defendant at their last known address or hand-delivers notice informing them of:

- ★ Meeting date, time and place.

- ★ Right to attend and offer a defense.

Keep minutes of the league meeting containing a roster of those present and absent (quorum must be present). An accounting of the arrearage must include:

- ★ Date(s) the bowler is being charged for.

- ★ Amount(s).

- ★ Show whether the defendant was present or absent on the date(s) charged.

- ★ The date defendant was replaced.

Two-thirds of the league board members present must vote the accused guilty. If two-thirds vote is not obtained, the charges are dismissed.

In youth leagues that do not have a board, the Youth league supervisor/official makes the decision.

Within 30 days of the meeting, submit the file to local association or USBC. The file must include:

- ★ Meeting notice to defendant(s).

- ★ Meeting minutes.

- ★ Copy of league rules.

- ★ Record of accounting from meeting and supporting documents.

- ★ Recommendation and vote count.

NOTE: Rule 115b does not allow a league to charge an individual for more than six sessions. A copy of the non-payment of league fees checklist can be found in the Rules section of BOWL.com.

League **ELECTIONS**

When to Conduct Elections

The league must conduct elections during a meeting before distributing awards, unless the league board decides they are to be conducted before the start of the league schedule.

This requirement is waived in youth leagues where a majority of the membership is comprised of youth 13 years of age or younger and for high school conference leagues.

Who Conducts Elections

The board of directors shall be responsible for electing league officers unless the league rules vest this authority in the general membership.

Nominating Committee

The president and/or Youth league supervisor should appoint a nominating committee, which prior to an election develops a slate of officers from those choosing to run for office. Each league must elect a president, vice president, secretary and treasurer. The office of secretary and treasurer may be combined. The slate should include one or more candidates for each office.

Notice of Meeting

The league secretary and/or Youth league official must give advance notice of the meeting. This can be by simple written notice or a specified date in the league rules with a reminder announcement. The secretary and/or Youth league official also makes arrangements for a meeting room.

Separate Elections

Each office has a separate election to enable an unsuccessful candidate for one position to run for another. The presidential election is first, with the vice president and/or Youth league supervisor presiding. After the nominating committee presents the candidate(s), nominations are accepted from the floor. Nominations do not require a second.

When nominations close, members should vote. Absentee and proxy voting are prohibited. Members should use written ballots if there is more than one candidate. Elections for other offices follow in the same manner, with the president and/or Youth league supervisor presiding.

Ballot Counts

Officers are elected by majority vote. A majority vote is more than one-half of the votes cast by those members entitled to vote, excluding blanks or abstentions. For example, if 19 votes are cast, a majority is 10.

At the meeting and after the ballots are counted for each election, the sergeant-at-arms, chairman of the tellers committee or Youth league official reports:

- ★ Total number of votes cast (Illegal ballots are counted to determine the number of votes cast.)
- ★ Total votes needed for majority
- ★ Number of votes for each candidate
- ★ Number of illegal votes

If a candidate receives a majority vote, the presiding officer declares the winner of each election. Meeting minutes should reflect the number of votes cast, and names and number of votes each individual receives.

Helpful Reminders

1. Nominations do not require a second.
2. Nominating committee reports are accepted by the league and do not require a motion and second.
3. A nominating committee member may be nominated.
4. The league president and candidates nominated for election are entitled to vote.
5. An election that takes place after the league season is completed takes effect immediately if the candidate is present and does not decline, or if they are absent and have consented to their candidacy.
6. An election held before the league schedule ends, takes effect once the season has concluded for the league. The current officers continue in office until the conclusion of the season then the new officers take over.

Managing League **FUNDS**

Bonding

USBC provides free bonding, burglary/robbery insurance to leagues. They are two valuable services that cover funds when:

- ★ A league officer or Youth league supervisor/official misuses them.
- ★ A league officer, Youth league supervisor/official or their messenger is robbed by force or threat of violence. When using an in-house deposit service, the messenger is the bowling center employee who takes the deposit to a banking institution.
- ★ Someone burglarizes the premises, vehicle or locked receptacle where funds are kept. There must be visible evidence of forced entry and an on-site police report is required. In the case of an in-house deposit service, this would cover burglary of the bowling center.

To ensure leagues receive full coverage under the USBC insurance program:

- ★ Open an account in your league's name in an insured banking institution or in-house deposit service, and make deposits within a week of receipt.
- ★ The president and/or Youth league supervisor must verify the account each month by obtaining a statement from the bank or in-house deposit service and mathematically checking for an accurate balance. The bank statement is sent to the president for verification purposes.
- ★ Two elected officers must co-sign for withdrawals. Two signatures are required on all checks written on a league account regardless of the banking institutions policy.
- ★ Cosigners cannot be immediate family members.
- ★ All officers and/or co-signers on the league account must be at least 18 years of age.

If a league fails to follow the above procedures, the bonding program only will cover a maximum of 50 percent of the documented loss on a bond claim and one week's receipts (up to \$2,000) for a burglary or robbery.

Other facts about USBC bonding, burglary and holdup insurance:

- ★ USBC leagues are protected against \$10,000 in misused funds. Leagues with larger prize/awards funds must list their total prize fund amount on the league application to receive additional coverage.
- ★ Leagues not submitting league applications and dues to local associations within 42 days (30 days for summer leagues) only will be covered for funds on deposit at time of application and collected thereafter. USBC rules require league applications to be filed with local associations within 30 days.
- ★ Leagues may use an in-house deposit service, but must follow the same requirements as above. Leagues are not covered for money lost because of bowling center insolvency or liquidation.
- ★ Insurance does not cover funds lost by fire, mysterious disappearance or left unattended.
- ★ Burglary and holdup insurance covers one week's receipts up to \$2,000.
- ★ Program covers \$10,000 at the end of the bowling season when money is withdrawn from the banking institution for prize/award distribution. For prize/award funds more than \$10,000, USBC recommends payments are made with checks or money orders. Leagues have seven days after withdrawal to distribute prizes/awards.

Tax Information

Leagues should always be concerned about taxes.

Leagues may follow these guidelines:

- ★ Apply for or make needed updates to the Employee Identification Number (EIN) by completing a SS-4 form available at your IRS office. The form also can be downloaded and completed or processed electronically at IRS.gov. Officers do not have to fill out the form every year if the league continues.
 - ★ Do not check Nonprofit; check View Additional Types, Including Tax-Exempt and Governmental Organizations.
 - ★ Check Social or Savings Club.
 - ★ The program will direct you through the next steps and assign a number.
- ★ Declare your salary as income on state and federal returns. The IRS considers you self-employed.

Monthly President Verification Worksheet

As president you have a crucial responsibility to your league to verify the league funds. As listed in the USBC Playing Rules book, one of your duties is to personally verify the league’s bank balance monthly.

“Verify” means the president must not only determine the amount on deposit, but also do the arithmetic necessary to determine how much should be on deposit.

This worksheet is to assist you in making this responsibility easier. We suggest you make several copies for each of your monthly verifications.

Example

Number of bowlers in league (May vary week by week)	_____	_____	32	8 teams X 4 members
Bowler weekly fee	X _____	X _____	\$ 11	
Amount collected	= _____	= _____	\$ 352	
Lineage paid per week (verify with center correct amount paid)	- _____	- _____	\$ 225	
Amount after lineage paid	= _____	= _____	\$ 127	should equal prize fund and salaries
Number of weeks bowled to date	X _____	X _____	5	
Amount should be in league account	= _____	= _____	\$ 635	
Additional Collections				
Team Sponsor Money	+ _____	+ _____	\$ 240	8 teams X \$30
League Sponsor Money	+ _____	+ _____	\$ 1,000	ABC Company
Prepayment required per league rules 50/50	+ _____	+ _____	\$ 704	2 weeks X \$352
Prepays (bi-weekly, monthly, year)	+ _____	+ _____	\$ 230	
MISC. (ex. Fines, salaries, etc) (verify envelopes)	+ _____	+ _____		
League fund	= _____	= _____	\$ 2,809	
Bank balance as of date	_____	_____	\$ 2,754	
Difference (= / -)	_____	_____	\$ 55	Short. Verified with envelopes 5 bowlers owe weekly fee

Please note some variables:

- ★ The bowling center may only charge lineage by bowler first few weeks
- ★ Discrepancies may occur due to absentees and bowler who pay bi-weekly, monthly or even for whole season but by verifying the pay envelopes this can be accounted for.

It is the president’s responsibility to go to the bank for the monthly statement if not received or to go to the center for a copy of the in-center league activity.

If a loss is discovered, do not hesitate to contact USBC Headquarters either by calling (800) 514-BOWL, ext 3156 or by e-mail; bonding@BOWL.com. We are here to help you.

For a complete explanation of the Bonding, Burglary and Holdup insurance please refer to the USBC Playing Rules book, Chapter 8.

Alternative League **FORMATS**

You may wish to add some variety to your league play by considering some of these popular alternative formats. All can be USBC leagues. If you have any questions concerning the application of these formats, contact Rules at USBC Headquarters (ext. 3155).

Baker System

The Baker System format places emphasis on the team effort rather than individual accomplishments of team members. All team members follow each other in regular order to bowl a single game. For a 5-player team, Player #1 bowls frames 1 and 6; #2 bowls 2 and 7; #3 bowls 3 and 8; #4 bowls 4 and 9; and #5 bowls the 5th and 10th frames. The order of bowling is set by the team captain and may be adjusted at the conclusion of any game.

No Tap

There are two types of no-tap formats commonly used, and the league board of directors must determine by rule which procedure will be followed.

1. A strike is recorded when an individual knocks down a designated number of pins or all ten pins on the first delivery. For any other pin count, the individual receives the actual value and a second delivery is required.
2. A strike is recorded when an individual leaves a specific pin(s) (such as a 5-pin or a 7-pin) or knocks down all ten pins on the first delivery. If any other pin(s) remain standing, the bowler receives the actual value and a second delivery is required.

3-6-9

In a 3-6-9 league, each bowler automatically receives a strike in the third, sixth and ninth frames of each game designated by league rule.

Mail-o-graphic

League competition in which a supplemental fee is charged and scores bowled in other USBC competition are compared to qualify for prizes in one common prize list.

Scotch Doubles

Any combination of two bowlers is allowed. A three-game series is bowled with Bowler A bowling first in each frame and Bowler B bowling at whatever pins are left. If a strike is bowled, the same bowler would continue. Bowler A starts the first and third games, Bowler B starts the second game. Scoring is the same as regulation tenpins.

NOTE: If Bowler A strikes on the first ball in the 10th frame, Bowler A would bowl again. If Bowler A strikes again, Bowler A would roll the last ball. If no strike on the second ball, Bowler B rolls the last ball.

Since the second player only bowls if pins remain standing after the lead-off bowler's delivery, it is possible that the lead-off player could bowl the entire game without the second player participating in the game.

USBC Sport BOWLING

Sport Bowling

Sport Bowling is an optional membership level that offers bowlers of all abilities the chance to experience a new challenge, satisfy their competitive nature and improve their bowling skills. Sport Bowling members are eligible to compete in Sport Bowling events, which consist of leagues and tournaments conducted on more challenging lane oil patterns than those found in standard USBC competition. Sport Bowling emphasizes the importance of delivering the ball accurately and consistently, making adjustments in technique, adjusting to the way the lane oil patterns change and converting spares.

Team USA Experience

One of the most exhilarating USBC Sport Bowling programs is called the Team USA Experience.

Give your bowlers a true challenge by starting a Team USA Experience league. By playing on the same lane oil patterns used by Team USA in all international competition, your league bowlers will be energized by testing and improving their skills like never before. Competing in Team USA Experience leagues and tournaments is the best way for your players to take their games to the next level.

How to start a Team USA Experience League: Team USA Experience leagues must fulfill certain requirements and specifications prior to the start of all competition to ensure that the league will be Sport compliant during certified play.

To Certify Your Center and League for Sport Bowling
